

I would like to express my concern that you are considering giving LPFM priority over FM translators. I am a listener of K LOVE in the San Diego area, which I believe is broadcasted to us by the way of a translator. I would be greatly dissapointed if this station was replaced by something other than a Christian station, especially since K LOVE is the only Christian station currently in SD. I believe that keeping K LOVE is in the public's best interest since it is a station that encourages and inspires its community. Thank you for your consideration of my concern.
